Publication Information:

International journal of ecosystems and ecology science (IJEES), ISSN 2224-4980, publishing original articles, reviews and short communications of high scientific standard on ecosystems and science ecology. By: Hysen Mankolli, Affiliation: Agriculture and Environment Faculty, AUT, Albania; Health and Environment Association, Tirana, Albania
Key title: International journal of ecosystems and ecology science
Abbreviated key title: Int. j. ecosyst. ecol. sci.
Frequency: three times a year. IJEES Electronic Journal Publication: 24354 Leski Ln. Plainfield, Illinois, USA
This journal has the status of an international journal.

Aims and Scope:

The goals of the International journal of ecosystems and ecology science (IJEES), ISSN 2224-4980, are to bring together researchers and scientists with interests in the quality of the ecosystems research results, theories, technologies, systems, tools, applications, the work in progress and experiences on ecosystems used. The main topics of interest are:

- Ecosystems
- Agro ecosystems
- Forest ecosystems
- Ecology
- Lakes and Rivers ecosystems
- Applied Biology
- Applied Chemistry
- Biodiversity
- Energy
- Geology
- Bioaccumulation
- Desalination
- Water
- Soil
- Air pollution
- Climate Change
- Ecosystem restoration
- Environment toxicology
- Environment Protection
- Environmental radioactivity;
- Environmental legislation;
- Environmental management;
- Environmental education.
- Green technology
- Socioeconomic aspects in ecosystems
- Agro tourism and National Park

Manuscripts and correspondence are invited for publication.

Dear Professors, PhD, researchers and scholars of the field of ecosystems and related areas to, such as environmental engineering, agriculture, bio-chemistry (soil, water, air), pollution, geology, forestry, urban ecology, resource economics, etc., at the moment, I declare the sending of scientific journal articles to International Journal of Ecosystems and Ecology Science (IJEES) is open. Sending of items can only be done electronically, to the following address: E-mail: 2011jiese@gmail.com; mjedisi_shendeti@yahoo.it: The confirmation of receiving these items will be announced within the period of three weeks after sending. Weather the article is accepted or not, will be announced within a period of six weeks. Only original articles will be accepted, validated, and not to have or be published in other journals. Publication lasts from three to six months. Submission guidelines and Web Submission system are available at: https://sites.google.com/site/injournalofecosystems/template/guide-for-authors.
